The screenshot shows the TRION web application interface for managing contacts. At the top, there is a search bar with the text "Search..." and a "Search" button. Below this is a "Contacts" section with a dropdown menu. Underneath, there is a "Recently Viewed Contacts" section with a "Create New View" button and "List" and "Feed" buttons. A "New Contact" button is also visible. Below these buttons is a table with columns for "Name", "Account Name", "Title", and "Phone". The table is currently empty, displaying "No records to display." Below the table is a row of letters for alphabetical navigation: A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, W, X, Y, Z, and Other.

The screenshot shows the "Contact Edit" page in the TRION web application. At the top, there is a "New Contact" button and a "Contact Edit" header. Below the header is a "Contact Information" section with a "Save" button, a "Save & New" button, and a "Cancel" button. The "Contact Information" section contains fields for "First Name", "Last Name", "Middle Name", "Title", "Social Security Number", "Gender", "Birthdate", "Home Email", "Contact Record Type", "Contact Owner", "Account Name", "Department", "Email", "Home Phone", "Phone", and "Mobile". Below this is an "Address Information" section with a "Copy Mailing Address to Other Address" button. The "Address Information" section contains fields for "Mailing Street", "Mailing City", "Mailing State/Province", "Mailing Zip/Postal Code", "Mailing Country", "Other Street", "Other City", "Other State/Province", "Other Zip/Postal Code", and "Other Country".
